## **Life Member Details Audit & Update**

Dear Life Members,

We are in the process of updating and completing our list of Life Members and their contact details.

We have had numerous reports over the summer of some correspondence not getting through to all Life Members of the Association. This has been problematic for us, as we have been striving to get communication out to all Life Members on the events and correspondence of the Association, and to keep you all informed.

The Committee have put together a Google Form to allow Life Members to update their contact details for us. You can find the link to this form below:

If you are in contact with any other Life Members who have not been receiving our correspondence, please share this form with them, and / or assist them in updating their details, so we can best support our Life Members and provide the best level of communication to them.

If you have any questions regarding this process, please direct your enquiries to either David Parker, or Brad Pulley.

Many Thanks,

Brad Pulley  
Secretary
