## PRESIDENT 1979

It is with great pleasure that I hand over the President's chair of the E.D.F.L.U.A. to Graham Richardson - a name synonymous with our association.

"Richo" as he is known to all his friends has been with us for 8 years and has served on the committee before becoming Vice President last year.

Graham played football with Boronia for 10 years in the U16's, seconds and firsts before moving into a successful career in umpiring. He has the envious quality of never getting ruffled, and has always been only too happy to assist in any way possible to the betterment of the E.D.F.L.U.A. It has never been too much trouble for "Richo" to open his home for Umpires functions. One that springs to mind is the famous "Noddies Night".

Graham's other interests include water skiing, kite riding and good looking escorts. He is also an expert pool player, as a lot of the playful brigade of our umpires will confirm.

Our Christmas Picnic would not be the same without the fabulous job performed by "Richo". A delight to all the children is the fat red and white man, and we are very grateful to you, Graham, for the way in which you perform that very important task.

I know that you will all join with me in wishing a true friend and gentleman all the best for the coming year.

Congratulations and best wishes "Richo".

GRAEME ROSS

## PRESIDENT'S REPORT

Season 1978 saw the culmination of another great year by the E.D.F.L.U.A.

Although our social functions may not have been attended as well as we may had wished, we learnt from the experience and no doubt the faults will not be repeated again in the coming year.

My committee again produced some very strong administrative talent who could be called on at any time to assist in solving Association problems.

My special thanks go to Lionel Sewart, our Secretary, who again performed the job with efficiency and showed how capable he is of handling a large workload.

Ron McLeod took over the Treasurer's position, and handled the position with a very business and craftsmanlike approach, which was of great assistance in a very busy social year. Thanks, Ron for all your help.

Ian Mathers again proved a most reliable committee man and a special thanks to you, Ian, for your solo effort with our huge "Christmas Hamper", which was a very successful and worthwhile venture. A big thank you to all the donors of our Christmas Hamper.

Charles Barnes appeared on the committee for the first time this year and was a sound thinking and hardworking member of our team.

Chris Price continued his valuable role on the committee, and thank you, Chris, for running the weekly raffle.

Mick Rodriguez and your incoming President, Graham Richardson were always there to help and organize whenever they were required. The inimitable David Gilmour was always on hand with valuable advice and assistance, and he also produced the "Man in White" almost single handed.

A formal meeting was organised with the Umpires Appointment Board midway through the season and some 14 points were discussed. We hope that some changes will be forthcoming from that meeting in the ensuing year.

We will be losing a few of our top umpires this year to the V.F.L. and I wish these talented umpires all the best in their endeavours to make it to the M.C.G. in September.

I offer my congratulations to the umpires who completed their years service with the E.D.F.L.U.A. in 1978, DAVID GILMOUR, BOB MATTHEWS, HERB LARKIN, REG POTT, NOEL VENNEL, BILL MOXHAM, DICK PENTLAND - and congratulations also to all the finals umpires who performed so well at the end of season 1978.

My thanks go to Kevin, the Board, Eric Wright and all those umpires who assisted in helping the association run smoothly throughout the year.

Finally, I would like to say I have been very honoured to be President of such a fine body of men for our tenth year as an Association, and hope you all enjoy and participate in our Association functions in 1979.

GRAEME ROSS

## SECRETARY'S REPORT

At the 1978 Annual General Meeting at East Ringwood, I had the honour to be voted Honorary Secretary of this Association.

To be voted to this position was a great thrill, although I held this position for a greater part of season 1977 because of the previous secretary's retirement.

With the job of Secretary, I have found to be very demanding, but the personal satisfaction, and being involved in the organisation of this Association far exceeds any work required.

Last season was one of moderate events compared to other years. The social events were enjoyed by those who attended although attendances by Umpires were mediocre. Three delegates of the Executive attended a meeting with the Board midway through the season with a 14 point plan in assisting umpires. I can only hope these points are proceeded with.

My job during the year was made a lot easier with the assistance of Graeme Ross. I found I could call on "Ace" any day, any time and his help and advice to me was invaluable.

David Gilmour, for two years has been a tremendous help with his experience and his cool approach to matters. I have learnt a great deal from him.

Richo and Ron McLeod were always available to render assistance along with Charles Barnes, Ian Mathers, Chris Price and Mick Rodriquez.

My sincere thanks to all members of the Executive for making my years of Secretary most enjoyable.

Finally, congratulations to the Incoming President and his Office Bearers for 1979, and best wishes to all members for a successful year.

LIONEL H. SEWART  
HONORARY SECRETARY

PRESIDENT 1978

Our congratulations go to our President for 1978,  
Mr. Graeme Ross.

Graeme has been a tireless worker all year and has done our Association proud with a job "WELL DONE". He is extremely popular amongst all members and around the clubs and was the main force behind Season 1978 being a success.

His pleasant smile and his understanding of such a high position ensured his success.

Congratulations "Ace", and special thanks to Rhonda for your time and effort given to the welfare of our Association.

TREASURER

A new face come onto the Executive for 1978 in Ron McLeod, who took the position of Treasurer.

This is an extremely difficult position but Ron handled such with great efficiency and precision.

Congratulation, Ron on a job "WELL DONE".

## VICE PRESIDENT'S REPORT

### A DECADE OF SERVICE

We have now completed our tenth year as the Eastern Districts Football League Umpires Association. As we look back over this period of time we can certainly appreciate the value of a strong and active association. During these years we passed through times of change, not only in our own association, but in the Eastern Districts Football League itself.

There were changes to the Appointment Board, changes to the style and variety of football we umpired, changes to the better in attitude, by umpires, club administration, and players, and changes to the conditions we were once expected to accept. There were many incidents, both serious and humourous, and at times our association had to take a firm stand on certain issues that affected us not only as umpires but as ordinary decent people.

Our Association is now recognised as a successful and useful organisation, not only for its representation of the umpires' interests but also for its help in promoting the sport of football, especially in junior ranks. Our place as umpires is most important, not only for us to achieve greater personal satisfaction, but to create better understanding and goodwill between competitors.

The E.D.F.L.U.A. has enjoyed the services of a great many hard workers and talented administrators and as we now look to the future, we look towards you, the members, to participate and support your committee to maintain the keenness and dedication that now exists.

GRAHAM RICHARDSON

### TREASURER'S REPORT

The year 1978 was fairly successful financially as the final bank balance indicates.

Nearly all social functions were run at a loss, and it us up to each and everyone of you to support your incoming committee to make the 1979 season a most enjoyable one, on the field, and socially.

Many thanks to Ian Mathers for the work he put into the "Christmas Hamper Raffle". As the balance statement shows, without this amazing effort we would have been much worse off financially.

RON McLEOD

### HONORARY SECRETARY

Once again Lionel Sewart has carried out the duties of E.D.F.L.U.A. Secretary in a competent and enthusiastic manner. No job was too small or large for Lionel when it came to the welfare of the members of our Association.

Lionel could be called on at any time to perform his duties as Secretary, and proved a fine ambassador for the Umpires Association throughout the Eastern Districts Football League.

His work in supplying our weekly pies and food stuffs for Pie Nights should not go without recognition.

Lionel has a lot to offer our Association and with his competence and dedication will be successful in whatever capacity he approaches in the years to come.

To Lionel and his wife, Cheryl who has been a great help behind the typewriter, we thank you for your assistance.

### EASTERN DISTRICTS FOOTBALL LEAGUE

Again our Association had the assistance at the League Office of Mr. Eric Wright and Staff.

Eric was a tremendous help to the Executive all year, and was always available for advice.

Our appreciation is extended to Eric, Mr. Ken Wright and his Executive for their support during 1978 and look forward to their support in years to come.

### EASTERN DISTRICTS FOOTBALL LEAGUE UMPIRES APPOINTMENT BOARD

Season 1978 again saw Mr. Kevin Collins as Umpires Advisor and Mr. Bob Matthews as Appointment Board Secretary.

These positions are extremely difficult, particularly during Finals Time and much of the success of 1978 must go to the Appointment Board.

Congratulations to Mr. Roger Pettyfor and members of the Board and the Executive look forward to their assistance during 1979.

EXECUTIVE COMMITTEE

1978 saw two new members be elected to the Executive Committee.

Congratulations to Mick Rodriquez and Chris Price for their enthusiasm and to Ian Mathers and Charles Barnes for their experience which were great assets to the Association.

"JOB WELL DONE, FELLAS".

HONORARY SOLICITOR

Our thanks go to Mr. Dick McKenzie of Eales and McKenzie for his assistance during the year with his legal knowledge.

It is reassuring to know that someone with his legal experience is available when required.

Many thanks, Mr. McKenzie.

E.D.F.L.U.A. SOCIAL FUNCTIONS 1978

MICK RODRIQUEZ, COMMITTEEMAN

Friday 24th March saw the beginning of the year's social Functions with the annual pilgrimage from Eastland to the Herald Office on Good Friday.

Once again this proved to be a success for the Royal Children's Hospital Appeal with a sizeable amount again being raised, but the question still remains - where was Richo's car?

Our first Saturday evening venture was on May 6th. A Dinner Dance held at the Cuckoo with a good representation of umpires who had an extremely enjoyable night.

May 31st was one of our Steak Nights at the Norwood Football Club Rooms and proved once again that our umpires can leap higher than any ruckman in the E.D.F.L. in an effort to take a steak from the outstretched arms of Charles Barnes. This night was closely followed by the Theatre Night in Croydon. The films viewed were "One on One" with the main feature "The Goodbye Girl". A very poor attendance disappointed the organisers of this function.

The Association's Annual Sportsman's Night was held in July, and once again chaired by Clark Hansen from Channel 2. Representatives from Essendon, Carlton and V.F.L. Umpires were in attendance and who could forget the V.F.A.'s spokesman, Keith Mills. A touch of difference was brought about by an exhibition of dart throwing which was enjoyed by all - except later in the evening when promising recruits found the board bullseye, an elusive target.

A night in August was held in downtown Warrandyte; the venue being known as the "Bull 'n Bush". A very enjoyable night was had by all, but undoubtedly the highlight was the production of animal acts from "Old McDonald's Farm".

September brought about the luncheon at the "Baron of Beef". This proved once again to be one of the highlights of the season's social functions and a truly family concern.

The Final Night returned to the Dorset Gardens and once again, the "Fag Awards" were presented. For the first time, ten year certificates were distributed along with the five year and Grand Final acknowledgements. Congratulations to all who were recipients. It was another function where all who attended had a great time.

With the season complete, a light hearted day at Richo's was held where families could get together and enjoy a taste of the barbie and a sip of frefreshments.

The year finished with the Christmas Picnic held at Fibremaker's Oval. A great day was had by all. Santa Richo Claus entertained the children by handing out the presents and was most pleased with his liquid reward. Without doubt, the most spoilt child was one David Gilmour - he just kept coming back year after year.

Season 1978 is now passed from our reach and what was then is History. Try as we may, we shall never undo or correct what each of us may want to criticize. We can all learn something from past seasons and with endeavour, co-operation and a genuine desire to progress, progress we will.

Season 1979 is now almost upon us and it is to this end that we should be looking and striving for the ultimate with our own performances. Let us turn our back on the past and prepare for the future. The future of your Association is squarely in your hands.

If we are desirous of directing criticisms for the past we will only achieve to place ourselves in the position of those we criticize. If we talk about something long enough, we will believe in it. Let us start talking about the future and believe in it. It is always easy to blame the other person and inevitably we are only trying to cover up for our own mistakes.

We can and I believe we will achieve great heights in seasons to come and the 1979 season will be no exception. With the dedication to the cause of umpiring as shown by you, the umpire, the sky is the limit. You have a great reputation to live up to and this should not be beyond your capabilities. You and I know what your capabilities are so let us once and for all show that we aim to perfect.

Let us all in the coming seasons proudly represent the Association which is the envy of many bodies around us. Let us perform our duties with dexterity and thus having all Clubs, Players and Supporters looking up to us.

To all Umpires who had control of games last season goes our grateful thanks with special emphasis on the selected few who handled all of our finals. One wonders when it comes to finals games when your talents will be surpassed.

I would be remiss if one persons misfortunes were not recorded in this report. The agonising and disappointing decision that Mike Rodriquez was faced with on Sunday September 17th, 1978 at the Boronia Ground would have to have been suffered to be believed. The decision made by Mike on this day was a meritorious one and is a true sample of the men who are honoured to wear the White Uniform in this League.

A special vote of thanks is also recorded to Bernie Smith who took over the runs at short notice on the day in question. You had the players eating out of your hand, Bernie. Congratulations.

I believe that three of our number have been accepted by the V.F.L. this season. What a prize feather in the cap for our Association It only goes to show that if you have distinction and dedication in the cause, the world is at your feet.

To all who assisted us in 1978 I say most sincerely "Thank you". I hope to have the opportunity of gaining your friendship in 1979. To all of our new friends, I bid you on behalf of the League a very warm welcome and may your achievements within our League make us even prouder.

Good Luck for Season 1979 and may you be the proud Man in White to take charge of our Finals.
