PRESIDENT'S REPORT

This year certainly was a year of contrast, going from the disputes we were involved with at the start of the year which saw a lot of ill feeling and unrest amongst the umpiring body, to the end of the season when this had been turned around to be fairly strong and united umpiring body.

Obviously this does not happen without a lot of hard work being done by a number of committed people who take on roles within the Umpiring Executive body and do a lot of work behind the scenes that is very often not seen directly.

With the number of new faces on the Executive this year we saw a number of changes made in our approach to the many issues we looked at throughout the year. One area that changed was to a more professional approach in the way we were trying to direct things which will become more evident throughout the coming season.

One of the main drivers behind this fresh approach was Phil Hermann who put in a lot of hours that people would never be aware of and Phil being who he is, would not make it widely known, but in my role as President I saw how much Phil was doing and was appreciated.

Also, thanks should be given to the Dave Bottrell who not only ran the kitchen area but also organised and coordinated all of the food which was a big job. He did this just to help out and be a part of it. I would like to think that with the changing of attitudes, more umpires will take the lead of Botts and be willing to help, to make an even better Association.

Remember, the Association is only as strong as you, the members.
Thanks to all who helped throughout 1996, roll on 1997.

Bruce Onken

VICE PRESIDENT'S REPORT

Well, where do I start. 1996 has certainly been a most exciting season, with the uncertainty of any umpires taking the field at the beginning to the surprise win by Donvale at the end in 1st Division.

This 'uncertainty' created a great deal of well ... "energy" ...I prefer to call it, between the Umpires Association and the League. It is mainly due to this energy that communications are now better than they have ever been. This can only enhance our position.

As you are aware, Bruce and myself have been meeting regularly with the League and during these talks we have put our case forward for changes that will not only benefit umpires, but football in general. Some of these changes will be rolled out as we enter the 1997 season.

I have already met with our new Director of Umpiring, Kevin Smith. We welcome Kevin to the EDFLUA. Kevin is a very strong advocate for umpires to attending social activities together, this he says builds a strong team.

From a social point of view the highlight of the year was the presentation night. It was very pleasing to see so many umpires and their partners enjoying the social atmosphere. The social committee has big plans for 1997, but as always they need your support. Without this the fruits of their labour will never be realised. Remember they are doing this for you.

I would like thank the Executive. It has been a pleasure and a great deal of fun working with them, and knowing how committed they are I look forward to the challenges 1997 brings us. I personally look forward to continuing the good work that Bruce has done for the Association, however it will be a hard act to follow.

Finally, thank you to my fellow umpires for their ongoing support. I wish you all a very enjoyable and successful 1997 season, both on and off the field.

Paul Camilleri

SECRETARY'S REPORT

Season 1996 saw change to the Executive committee after a long term support from David Biggs and Faye Sutcliffe. The new committee has tried to encourage greater participation from all umpires and their families. This appears to be working as many umpires are volunteering to offer assistance. The number of umpires nominating for positions on the social committee (6) is full testament to this.

As Trevor Fyander is not continuing as Social Secretary I would like to thank Trevor for his significant contribution to this Association over a long period. Trevor has contributed greatly to the development of this association and to the achievement of our own social rooms.

To our trainers Billy and Nifty thank you for getting all the umpires through another arduous year (particularly the old timers). We hope to see you both back in 1997.

To the executive members that put up with my constant reminding, I thank you for a strong and productive year. Thank you to all umpires for there support throughout the year. To Bruce congratulation on your term as president. Your purposeful approach has enabled this association to recover lost credibility and I am sure Paul will approach the year ahead with the same purpose and enthusiasm.

I would like to congratulate the Umpire's Board on their efforts in what was a difficult year. As most of the Board members are not continuing in 1997 may I take this opportunity to thank you for the support you have given this association over many years.

Finally to my family and particularly Dianne, thank you for your understanding in the difficult times. I look forward to seeing you all in 1997 for a bigger and better year.

Phil Hermann

1996 SOCIAL SECRETARY'S REPORT

As this will be my last report as Social Secretary I would like to wish the Association well in the new season as I am undecided, as I write this report if I will umpire next year. Now onto more important things, the season just gone.

A new committee took over with a fresh approach. We started off with a Chinese night at Ringwood Chinese which was well attended. A Wine & Cheese night in the club rooms followed. About 30 people attended a very social night.

Croydon Cinema was the next function, 32 members attended the film "The Rock". A supper dance seemed to be the go this year, with the "Guilty Party" performing in the clubrooms. This was the best effort for the year with 65 people there to dance to the music. The presentation at the York On Lilydale turned out to be a great night with 150 people enjoying the season finale at a change in venue.

Now I would like to thank my fellow executive, Bruce, Phil, Jason, Paul and Michael for a job well done after a torrid start. Let's hope we never see that happen again as it sets umpire against umpire. Anyway, enough of that. I would also like to thank Harry for his two years as Director of umpiring and the rest of the board for a job well done. I would like to wish Paul Camilleri all the best for the season and all umpires good luck and good umpiring in 1997.

No matter what happens, if I decide not to umpire this season, I have enjoyed my 15 years in the EDFL as an umpire and made many friends and would not have missed it for quids!!

Yours in umpiring
The Bag Man, Trevor Fyander

The accounts have been prepared in accordance with Statements of Accounting Concepts and applicable Accounting Standards. The accounts have been prepared on the basis of historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. These account policies have been consistently applied.

The following is a summary of the significant accounting policies adopted by the association in the preparation of these accounts.
