President's Report

While we are about to commence a new season, I would like to reflect on season 97. It was a very good year for the Umpires Association. We now have a very strong relationship with the Eastern Football League, which is growing stronger. The emphasis was carried on from the previous season with regard to umpire safety, the increased visibility of Umpires' escort and the Club's attitude toward umpires very much the highlight.

With the new name change to our football league comes a whole range of modifications not only to our name, our uniform, league colours and insignia are also being reviewed by the League. This may delay our plans to modify our uniform for 98. We will as always keep you posted. The KJFA have now combined with the EDFL. I would like to wish a very warm welcome to those umpires from the KJFA who have now joined our ranks.

The field umpires numbering system which was developed by your Executive last year was a resounding success. This will be further developed this year with more field umpires having numbers. They will also be larger. We would be happy to hear from umpires who can assist with the application of numbers.

The Executive during 1997 focused on internal rather than external matters. We now have control of all bookings for rooms and we are very pleased with the rate in which the rooms are hired. The relationship with both the Gridiron club and the Springfield Management body is also being developed and we look forward to this continuing into the future.

Our social events were very well received by you the membership during the year. This is certainly one area in which we must keep working on. This is YOUR Association, please support it by attending functions during 1998

I would like to take this opportunity to publicly thank the Executive. They are a dedicated and very hard working group of umpires and without their commitment in both time and effort this Association would not function as it should. I would like to wish Arthur all the very best for his term as President during 1998.

Finally thank you to all the umpires, it has been a pleasure representing you at the highest level and I sincerely hope that season 98 brings to you and your family all that you desire.

Paul Camilleri

Secretary's Report

While 1996 was a season of change, 1997 was one of consolidation. Our relationship with the League has continued to strengthen as we head into another year of growth in football for the Eastern region.

Your Executive tried to further develop camaraderie within our ranks through consultation and a strong social program. Thanks must go to Peter Enright for a successful year. The Executive appreciates the help given behind the scenes by Trevor Fyander, Shane Smith, David Bottrell and Michael Snell.

Thank you to Billy and Niffy for their work during the year.

I would like to congratulate both Paul and Arthur for their management of tough situations which will benefit this Association in the future.

May I wish all umpires an enjoyable and successful season.

Phil Hermann

Social Secretary Report

The 1997 social calendar commenced with a mystery bus trip to Henry The Eight Restaurant in the Dandenong's. Approximately 50 well oiled umpires and their partners met at the clubrooms for the trip up the mountain, culminating in a three course meal and a lot of companionship. Awards were handed out on the evening. These included Phil Hermann's footy and bike helmet, David Bottrell's chewing gum for those long conversations and Paul Kennedy's adviser survival kit consisting of plastic binoculars and flask. Everyone survived the trip down the mountain without illness.

The picture night at Croydon Hoyts Theatre was well attended by 70 members and their families. Batman and Robin and Liar Liar were both popular choices on the night. Afterwards everyone returned to the clubrooms for a light supper, thanks to Henry and his culinary expertise.

The social calendar concluded with our presentation night at Ringwood Karralyka Centre. A change from York on Lilydale which proved successful. The evening was again well supported by 120 members and friends as was all the years' functions. As with all functions the success of the night depends on the support of the members and to this end I can say unequivocally that the social year was extremely successful.

So again we are about to embark on another year of social functions. As most people would be aware I have not re-nominated for Social Secretary but I hope who ever takes on the role will enjoy the support of the members as I did.

It was an honour and a pleasure to be your Social Secretary and I wish you all the best for the year to come.

Peter Enright

NOTES TO AND FORMING PART OF THE ACCOUNTS
As at 31st December 1997

NOTE 1: STATEMENT OF ACCOUNTING POLICIES

- (a) These financial statements are a special purpose financial report prepared for use by directors and members of the company. The directors have determined that the company is not a reporting entity.

The statements have been prepared in accordance with the requirements of the following applicable Accounting Standards and other mandatory professional reporting requirements:

AASB 1002:	Events Occurring After Balance Date
AASB 1018:	Profit and Loss Accounts
AASB 1019:	Measurement and presentation of Inventories in the Context of the Historical Cost System
AASB 1021:	Depreciation of Non-Current Assets
AASB 1025:	Application of the reporting Entity Concept and Other Amendments.
AASB 1031:	Materiality

No other applicable Accounting Standards or other mandatory professional reporting requirements have been applied.

The statements are also prepared on an accruals basis. They are based on historic costs and do not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of these statements:

- (b) Property, Plant and Equipment

Property, plant and equipment are included at cost, independent or directors' valuation. All assets, excluding freehold land and buildings, are depreciated over their useful lives to the Company.

- (c) Inventories

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a first-in first-out basis and include direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenses.
